

MPR Smillie Curved Retractor

MPR-11-1539

Description

A retractor for use during meniscotomy procedures to expose the meniscus. Features an ergonomic T-handle for a secure, comfortable grip, a curved blade, and a broad square point to protect the patient.

All MPR Orthopedics retractors are designed for optimal performance with minimal risk of trauma. Made from solid stainless steel for durability, longevity, and easy cleaning/sterilization.

Made in USA.
