

MPR Blunt Hohmann Retractor

MPR-6079-950

Description

A specialized Hohmann retractor with a blunt, rounded tip and slender leaf-shaped blade. Its curved design provides a high degree of access and leverage, and the handle features three holes for attaching weights.

All MPR Orthopedics retractors are designed for optimal performance with minimal risk of trauma. Made from solid stainless steel for durability, longevity, and easy cleaning/sterilization.
