

MPR Adjustable Leg Rest

MPR-9390

Description

A standalone leg rest, especially useful in casting, amputation, and/or skin prepping. Its adjustable height makes it highly versatile, and the wide square base ensures stability during use. Made from stainless steel for durability, longevity, and easy cleaning/disinfecting.

Made in USA.

Product Specifications

Min. Height	7" (17.78cm)
Max. Height	10" (25.4cm)

Cleaning & Maintenance

Between uses, wipe device down with a hospital- and/or EPA-approved germicide, or a **10:1** bleach solution or quaternary ammonia solution, then rinse and let dry. Avoid using phenolic cleaners or abrasive materials.
