

MPR Solution Stands

MPR1000

MPR1001

MPR1002

MPR1003

Description

Solution stands with included bowls. Both stands and bowls are made from 16-gauge stainless steel for durability and reliability, with rubber bumpers around the basin to prevent noise when rolling, and 3" scuff-resistant casters designed for maneuverability and quiet movement.

MPR Orthopedics offers both single- and double-bowl solution stands, either with lower shelves or an H-brace construction.

Made in USA.
