

MPR Paulson Blount Knee Retractor

MPR280800000

Description

A retractor for use during knee procedures such as meniscectomies and arthrotomies. The ring-shaped handle minimizes heat retention after sterilization, and the thin, shallowly curved blade maximizes precision and dexterity for use on more delicate tissues.

All MPR Orthopedics retractors are designed for optimal performance with minimal risk of trauma. Made from solid stainless steel for durability, longevity, and easy cleaning/sterilization.

Made in USA.
