

MPR Reusable Gel Anti-Fatigue Mats

Description

Floor mats constructed with conforming gel and supportive foam, designed to provide ultimate comfort to OR staff. They are water-resistant, easy to clean, and latex free, and have been proven to improve performance while reducing margins of error, postural changes, and stretches. MPR Orthopedics offers a variety of gel floor mats, in a number of different sizes and in either blue or red. All feature a high-traction bottom surface to prevent slipping, certified by the National Floor Safety Institute, and beveled edges to minimize the risk of tripping.

Made in USA.
