MPR Offset Retractors

MPR-31-555514

MPR-31-555515

Description

Retractors with offset blades for use in orthopedic procedures. Other features include a 75° bent design, a rounded tip, and a hole at the bottom of the handle for attaching weights.

All MPR Orthopedics retractors are designed for optimal performance with minimal risk of trauma. Made from solid stainless steel for durability, longevity, and easy cleaning/sterilization.
