MPR Barrier Boots

Description

Boot covers for protecting the wearer from fluid contaminants such as blood and irrigation fluid. Their durable 6-gauge embossed polyvinyl construction features a seamless sole, is textured to eliminate the risk of slipping, and has an AAMI Level 4 rating. These boot covers are intended for single use *only*; dispose after use.

Made in USA. 100% latex-free. Sold in boxes of 50 pairs.

Available Sizes

#	MEN'S SHOE SIZE (US)	WOMEN'S SHOE SIZE (US)
830-S	Up to size 7	Up to size 9
830-M	8–12	9+
830-L	12+	———

Instructions for Use

Once you have selected the proper size, pull the cover on over all footwear and clothing, ensuring that it reaches knee height. Then, wrap the included straps around the knee and ankle and tie them tightly to secure the cover to your leg and reduce the risk of leakage and/or contamination as much as possible.
